VENDOR'S FOREWORD

As you may know, we have been selling freshly calved and In-calf cattle in Market Drayton for the last 18 months. It had been our plan to upgrade the Dairy Unit/Parlour and convert to Autumn calving. But after a lot of thought, we have decided to take the farm in another direction and cease milk production.

This is the final dispersal, except for a few close calving cattle which will be sold after they have calved and will comprise of all the saleable heavy milking cows calved since March.

We have aimed to produce, strong, powerful cows that have the ability to consume large amounts of forage to convert into high quality milk.

We would like to thank all who have played a part in the milking and breeding of the Rojada herd at Rectory Farm, from associated businesses to the family and staff both past and present. As we adapt and change enterprises, we wish all the purchasers the very best with their purchases, strongly believing they will do well in a variety of systems.
