VENDOR'S FOREWORD

Wigfair farm was purchased in June 1978 by M & N E Jones & Sons. Huw moved to the farm with 60 in calf heifers, and in November of that year he started milk production and carried on until present day.

In 1989 Huw and Meinir got married and had four daughters, Cerian, Elin, Gwenllian and Rhiannon, all of whom they are extremely proud of.

Over the years they have been very fortunate to have excellent members of staff that have helped the farm progress to where it is today.

However they feel the time has come to change direction and have decided to stop milk production, and would like to thank everyone involved with the farm for their support and loyalty.

The Jones Family

GENUS BREEDING FOREWORD

The udder health of the herd is historically excellent, and this is something that Huw and Meinir have always observed with great care. In addition to daily monitoring on farm, mastitis rates have also been examined annually through specialist udder health reviews, which have provided additional insights, and reaffirmed the successfulness of practices on farm.

Across the lactation period, high SCC cows account for just 8-14% of the whole herd (depending on time of year). This figure falls well below the 20% industry target and has remained considerably lower than this target figure consistently for the last four years.

Fresh calver and dry period infections have also been well controlled, with the rolling average for fresh calver infections sitting at around 8% (target less than 10%) and dry period new infections at just 5% (below 10% target).

Dry period cure rates are consistently high across this herd, with a rolling average that has not dropped below 90% in the last 10 months. This means that around 90% of all cows who have dried off with a high SCC, are going on to calve with a low SCC.

The detection and treatment of mastitis cows has always been a priority for Huw, with repeat chronic cows exiting the herd when required to prevent cross transmission of infection. In addition to this, no expense has been spared in regard to milking routine practices, with a full and complete routine performed at each milking. In their current environment, and under current practices, this herd of cows has an exceptionally positive udder health history.

Wern Veterinary Surgeons are proud to have serviced and been associated with the dairy herd at Wigfair since 1987. At every step Huw and Meinir have worked hard to ensure that the high health status of the herd has been maintained through a combination of careful informed acquisition, good breeding, testing and vaccination where necessary. This, together with diligent management, has resulted in the exemplary levels of individual cow performance in terms of production, reproduction and longevity evident in the cow records.

The quality and high health status of the beef crossbred calves are also well recognized locally which means that they are much sought after for use by Wernvets and others as ET recipients.

We wish Huw and Meinir a very successful dispersal sale of the Wigfair herd and wish them every happiness in the future.

GENERAL CONDITIONS OF SALE

- 1.1 Every Vendor, Bidder and Purchaser shall be deemed to have full knowledge of the Composite Conditions and to agree to be bound by them.
- 1.1.1 All livestock is sold subject to these conditions, ("the Conditions"), the Livestock Auctioneers Association Conditions of Sale (2022 edition) ("the LAA Conditions") and, in the case of any pedigree livestock, any special conditions expressly applicable ("the Special Conditions") (all together "the Composite Conditions").
- 1.1.2 If there is any conflict or inconsistency between the elements comprising the Composite Conditions the order of precedence shall be first, the Special Conditions, secondly the Conditions and thirdly, the LAA Conditions.
- 1.1.3 A copy of the LAA Conditions and any Special Conditions is available for inspection upon request.
- 1.2.1 All other lots are sold subject to these conditions, ("the Conditions"), and any special conditions expressly applicable ("the Special Conditions") (all together "the Composite Conditions").
- 1.2.2 If there is any conflict or inconsistency between the elements comprising the Composite Conditions the order of precedence shall be first, the Special Conditions and secondly, the Conditions.
- 1.2.3 A copy of any Special Conditions is available for inspection upon request.
2. All lots are accepted for sale on the terms the Vendor warrants his right to sell the same and undertakes to indemnify the Auctioneers against all actions, proceedings, claims, costs, charges and expenses to which they may be exposed or which they may incur by reason of any defect in the Vendor's title.
3. The Auctioneers act in all respects only as agents for the Vendor and it shall be deemed that no condition or warranty expressed or implied has in any circumstances been given by the Auctioneers or any servant of the Auctioneers, whether as to title, description, the quality of any lot sold or otherwise. The Auctioneers and their servants shall not incur any liability to the Purchaser in respect of any defect of title, error of description or imperfection or in respect of any announcement or statement relating to or affecting any lot offered for sale whether made orally or in writing and whether given before, during or after the auction, nor shall they incur any liability in relation to any dispute between any Purchaser and Vendor.
4. The Auctioneers reserve the right to refuse to accept bids from a Purchaser and they reserve on behalf of themselves and of the Vendor(s) the following rights:
 - (a) to fix a reserve price;
 - (b) to bid on behalf of a Vendor;
 - (c) to re-arrange, consolidate or withdraw any lots or vary the order of sale; and
 - (d) without giving any reason therefore, to refuse to accept the bids of any person.
5. The person making the highest accepted bid shall be the Purchaser.
6. No bid shall be retracted.
7. If a dispute arises as to any bidding, then at the discretion of the Auctioneers, either:
 - (a) the lot to which the disputed bid relates shall immediately be put up again; or
 - (b) the Auctioneers shall determine the dispute, and their decision shall be final and binding on all parties.
8. **The Purchaser shall, when requested, give his name and address to the Auctioneers and unless otherwise agreed by the Auctioneers and the Purchasers shall pay for the lot(s) he has purchased ON THE DAY OF SALE. All lots are sold on condition that the ownership of the same shall remain with the Vendor and no property in the lots whether legal or equitable shall pass to the Purchaser and no lot(s) shall be removed from the premises unless or until: (a) payment in full has been made in cash, or by bankers draft, or by cheque not exceeding the amount stated on an accompanying valid cheque guarantee card; (b) the Purchaser has obtained a pass-out slip from the Auctioneers clerk.**
9. Notwithstanding Conditions 8 and 10 each lot shall be at the absolute risk and at the expense of its respective Purchaser at the fall of the hammer and subject to Conditions 8 and 10 shall be removed from the sale premises at the Purchaser's expense within the time stated by the Auctioneers at the commencement of the sale.
10. If, notwithstanding Condition 8 above, the Auctioneer permits the Purchaser to remove his lot from the sale premises prior to payment in full having been received then:
 - (a) Ownership of the same shall remain with the Vendor and no property in the lot whether legal or equitable shall pass from the Vendor to the Purchaser until payment of the full price has been received in cleared funds by the Auctioneer or the Vendor (as the case may be). Payment shall, unless otherwise agreed, be made to the Auctioneers.
 - (b) the Purchaser undertakes to house the lot on his premises separate from his own and those of any other person and in such manner as makes it readily identifiable as the Vendor's;
 - (c) the Purchaser's right to possession of the lot shall automatically cease immediately prior to his doing anything or failing to do anything which would entitle a Receiver to take possession of the lot(s) or which would entitle any person to present a petition for the winding up of the Purchaser;
 - (d) the Vendor or the Auctioneers may for the purpose of examination or recovery of any lot remaining unpaid enter upon any premises, where it is housed or where it is reasonably thought to be housed;
 - (e) if the Purchaser shall sell on the lot, then such part of the proceeds of such resale as equates to the full price of the lot remaining unpaid shall be held by the Purchaser in a separate bank account as trustee thereof on the Vendor's behalf.
11. Without prejudice to any other right or remedy of the Vendor or the Auctioneers, if the Purchaser shall be in breach of any other Composite Conditions, the Vendor or the Auctioneers shall have power to resell the lot(s) purchased by the Purchaser retaining any surplus and charging any deficiency or expense to the Purchaser.
12. Neither the Vendor nor the Auctioneers will be responsible for any accidents or injury, not arising out of their negligence, which happens to any person or property while on the sale premises. Vehicles are parked at their owner's risk.
