### 493 REARING CALVES

**Auctioneer's : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)**

The job just keeps on rocking!! Another cracking week in the calf section as we saw plenty of demand from top to bottom. We weren't in line with the once in a blue moon trade that we saw last week, but when you've got competitive bidding and regular buyers falling out you know they're very well sold!

As for the sections, there's no change in the Friesians which continue to defy the odds with this weeks average £133. Top call was £222 from DA.&EM. Drinkall & Son, Darnhall. Best £160 to £220, mediums £100 to £150.

The native bulls a strong trade and even with less best types on offer we've still had 30 over £300. Top spot was £415 for an Angus from Halton Farms Ltd, Congleton. Best types £250 to £320, mediums at £160 to £230. Small at £60 to £140.

The Continental bulls have been a fast trade with the mediums on fire. The edge just off the best in comparison to last week. Top price was £445 for a Limousin from Mr G.B. Warner, Shrewsbury. Best at £330 to £400, mediums were on fire at £240 to £300, smalls at £170 to £220.

The native heifers have been out in force today with nearly 100 on offer, they remain in the highest demand with the mediums the dearest. Top spot was £275 for a cracking Angus heifer from Summerfield Holsteins Ltd. Best types at £180 to £230, mediums at £130 to £170, smalls £80 to £120.

The Continental heifers good to sell with a top price of £405 for a Blue from Halton Farms Ltd. Best types £250 to £300, mediums £180 to £230, smalls £140 to £170. All calf enquiries to Ben or Jonty.
