**MONDAY 5 AUGUST 2024**  
**111 BARREN COWS, CULL BULLS & OVERAGE CLEAN CATTLE (Green Market)**  
**Auctioneer : Bernie Hutchinson (07778 164274)**

Another good entry considering the time of year and selling on a very firm trade considering the harvest season. Young meated cattle certainly commanding the premium and lean feeding types keenly contested and certainly well past slaughter trade! Big thank you to all the vendors and buyers for their continued support.

Top of the shop this week traded to 245p or £2,724.40 for Bulls, 226p or £1,632.00 for Sucklers, 222p or £1,500.72 for Clean and 217p or £1,489.60 for Dairy. Overall Market average returned at 170p.

**56 Dairy** - Certainly not a vintage show with two tiers of cows forward, either wet bagged and very lean worked cows or young types. The young feeding types easier to place and selling to a premium seeing 217p a trio of lives. Distant travellers Williams Family young black & white at 217p grossed £1,275.96. Closer to home Vernon family also 217p to generate £1,271.62 & Ball family 217p to return £1,154.44. The Bloxham family cow to 213p (£1,069.26). Morris family Norwegian Red to 192p (£1,328.64) and the Brindley family black & white to 190p (£1,489.60). Also Park House Dairy Ltd cows to 184p (£1,221.76) and 181p (£1,285.10) to mention a few. Section average returned at 151p (£910.47).

**40 Sucklers** - Mixed entry with a lot of young & leaner types which certainly found some spirited bidding. Bob Yeomans saw his Limousin & Simmentals to 226p (£1,591.04), 207p (£1,548.36), 206p (£1,334.88), 196p (£1,415.70) etc. Pete Crossmore and family Limousin to 225p (£1,206.00). Natives sold to 222p (£1,065.60) for Aberdeen Angus from Cordiner family. Section average returned at 186p (£1,132.54)

**3 Bulls** - Young Limousin sold to 245p to return (£2,724.40) from Edward Evans and family. Pennington family saw their Blue Cross to 220p (2,252.80) and 185p (£2,060.90) for their Dairy Shorthorn. Section average returned at 216p (£2,346.03).

**12 Clean** - Humble entry forward with no real power or shape like we have been experiencing in previous weeks. Trade peaked at 222p (£1,500.72) for an Aberdeen Angus heifer from the Clay family. Timmis family sold Hereford heifer to 218p (£1,015.88) & Hereford Steer to 210p (£781.20).

**Auctioneer : Jason Brown (07774 816384)**

A respectable entry forward selling to the fastest trade of the year.

The entry consisted as usual of mixed breeds and varied from Calves to Bulling Heifers.

Messrs R.G Woolley, Acton continued their dispersal this month, selling Bulling Heifers and Maidens. The first Heifer of the day set the trade alight and away we went, Pedigree or Commercial it didn't

really matter. 3 of the first 4 Bulling Heifers made from £1,260 to top at £1,280 and all their others ranged from £1,110-£1,130. Bulling Heifers from Messrs Crank, Tarporley from £970 to £1,010.

Yearling Heifers were in very high demand with 7-8 buyers trying to secure them. Again topping the section were Messrs R.G Woolley, Acton at £910 with others at £850, £830 and £800.

Cross Bred Bulling Heifers met a very much improved trade, selling to £860 from E.A Johnson, Chester with majority £580-£860.

Weaned Calves a flying trade with £530-£670 from Messes R.G Woolley, Acton with younger calves £340-£390.

#### **Averages:**

Bulling Heifers £920 (All Breeds)

Yearling Heifers £715

Calves £400 (All Breeds)

### **316 WEANLINGS**

**Auctioneer's : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)**

A cracking entry of weanlings and trade remains in the highest gear with all grades selling on a very strong trade. We've had a fantastic showcase of quality cattle, with buyers keen to invest in the best! Heifers have been off the clock with the steers not far behind. It's great to see so much confidence around the weanling ring as we sit in the middle of harvest season.

Very few bulls forward and a lack of quality to reach the top tiers, top spot was £485 for a 8mo Friesian from AG Bonsall & Son, Stafford followed by 4mo Angus at £380 from MD Clewlow, Shrewsbury. Onto the Steers which were on fire from the off. Early in the sale we saw a 6mo suckler bred Limousin sell for £940 for RG Swain, Shavington Park. Dairy bred Blues of 9 months sold to £850 for Ward Partners, Ashford and next in line were 7 month old steers at £775 from PJ&FP Bridge, Cockshutt. Onto the Natives which saw an excellent show of Angus with very few strong Herefords about. Top spot went to 5-6mo Angus at £670 from GW&MA Platt & Son, North Rode, who sold others at £655. Anything with shape and shine flew to £500-£600 no matter of the breed.

The heifers took the crown for best sold on the day with a lot of enthusiasm and demand for well grown heifers. Top call going to a 6mo suckler bred Blue from RG Swain, Shavington Park at £980. Next were 10mo Blue heifers from S & RE Crank, Tarporley at £800 and 7mo Limousins from BJ Mould Ltd, Stafford at £800. Young 4-6 month old Blues sold to £710 from RJ Brown, Stafford. The Natives were a fast trade with very little below £475. Top spot at £630 from Ward Partners, Ashford for 8mo Angus heifers, and 6mo Angus from M Latham, Derby sold for £550. The next sale is Monday 19<sup>th</sup> August. Get your entries in to Ben or Jonty to ensure that we can advertise them in advance.

couldn't ask enough for them! As always the shed has been brimming with quality so the best have been fiercely bid for aswell. Many buyers keep asking us 'when will they drop in price'... well they've stayed so strong for so long now; I don't think we're going to see much change. Not the least until we see a significant change in prices in the store/fat sections.

The Friesians continue in top gear but a lot of smalls about in comparison to recent weeks. Top call was £235 from J&R Bell Ltd, Toft. Best £120-£170, mediums £60-£100. The native bulls have been a fantastic trade with 41 over £300. Top spot was £360 for a Hereford from AW&L Hollinshead, Crewe. Best types £280-£350, mediums at £200-£270. Smalls at £120 to £190. The Continental bulls have been a very fast trade with all grades on fire, 62 have sold for over £350. Top price was £440 for a Charolais from EW Moss & Son, Endon. Best at £330-£400, mediums at £270-£320, smalls at £200-£260. The native heifers have been off the clock with plenty of quality too as heifers with shape and shine flew past £150. Top spot was £320 for a Hereford heifer from MP Mason, Wolverhampton. Best types at £200-£260, mediums at £150-£190, smalls £100-£140. The Continental heifers have somehow found another gear with an incredible 43 heifers over £340. Top price of £430 for a Blue from PJ&FP Bridge, Cockshutt. If you wanted a batch of mediums you couldn't get anything for under £250. Best types £320-£370, mediums £250-£310, smalls £170-£230. A handful of weanlings sold to £490 for a 4 month old Simmental bull from KP&M Massey & Son, Crewe. All calf enquiries to Ben or Jonty.
