675 REARING CALVES

Auctioneer's : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

A few more forward this week and another fantastic trade. The Continental bulls have been on fire with 41 bulls over £400. The Continental heifers would be a strong trade with 35 heifers over £300 although the mediums would be a little less than the dizzy heights of recent weeks. Native bulls & heifers as well as Friesian bulls all continue to be in the highest demand with only very smalls under £100! Numbers are gradually increasing nationally so supply & demand is likely to take effect before long... so continue to rear your calves to their full potential to reap the rewards of this trade.

The Friesians saw a top price of £225 for Mr R.L. Latham, Chorley. Best bulls £150 to £220, mediums £70 to £140.

The native bulls have been a super trade with lots of good quality forward making them easy to sell. Top spot was £385 for an Angus from E.W. Moss & Son, Endon. Best types £270 to £350, mediums at £200 to £250. Smalls off the clock at £100 to £160.

The Continental bulls topped at £530 for a suckler bred Limousin from Henry Holmes, High Offley. Dairy bred types to £495 for a Charolais from SR Lewis & Son, Eyton. The mediums would be the trade of the day with very little under £300. Best at £350 to £420, mediums at £280 to £330, smalls at £180 to £260.

The native heifers have been great to sell with anything well-presented flying past £170 with 24 over £220. Top spot was £290 for a Hereford heifer from RJ.&DJ. Clement, Gorse Bank. Best types at £230 to £280, mediums at £150 to £220, smalls £80 to £140.
