812 REARING CALVES

Auctioneer's : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

A massive entry of calves! The big flush is finally here and numbers will remain high for the next 4-6 weeks. In terms of the trade they have been back a touch overall, but still plenty of very pleasing prices for the right goods. Are the large numbers on offer to blame for the drop in trade? Only the smaller calves would be affected by the entry. The ringside was a little quieter, with a few less seasonal buyers for best and mediums this week. Thank you to all sellers and buyers for your patience today and our team of staff who keep the sale rocking and rolling!

The Friesians were good to sell with a top price of £208 for Mr J.E. Oulton, Audley. Best bulls £150 to £200, mediums £70 to £140, smalls £20 to £50.

The native bulls have been a strong trade with a good mix of quality forward. Top spot was £325 for a Hereford from RC.&EC. Trow, Whixall. Best types £230 to £270, mediums at £150 to £220. Smalls £50 to £120.

The Continental bulls have seen some really good prices for the best but the edge off the mediums. Top spot was £485 for a Limousin from Mr P.T. Hillard, Aston-by-Budworth. Best at £290 to £370, mediums at £220 to £270, smalls at £160 to £200.

The native heifers have been in high supply but great demand for strong well presented heifers but the smalls have been harder to sell. Top spot was £280 for a Hereford heifer from W. Hodgson & Sons, Tarporley. Best types at £200 to £260, mediums at £120 to £170, smalls £70 to £110.

The Continental heifers have followed the same pattern with the edge just off them today. Top price was £420 for a Charolais from RJ.&RH. Gadsbey, Yarlet. Best types £260 to £320, mediums £160 to £240, smalls £100 to £150. All calf enquiries to Ben or Jonty.
