Auctioneer : Bernie Hutchinson (07778 164274)

Great to see numbers increasing and a big thank you to all our vendors both near and far for your support. Seasonality seems to be drawing more cattle to the market place and trade seems to be absorbing them well and still buoyancy within the trade. Again a very seasonal entry forward with a large proportion of leaner and plainer types forward but this said demand extremely brisk for leaner cows at present.

Headline acts returned at 248p or £2,112.76 for overage clean, 236p or £1,900.80 for sucklers, 230p or £1,594.08 for dairy and 180p or £1,395.20 for bulls. The overall market average returned at 165p.

113 Dairies - Reasonable number forward for the time of year and finding a brisk trade throughout. Vaughan, Alvaston saw 226p (£1,342.44) etc, R. & R. Vernon & Sons, Burleydam returned £1,594.08 or 216p for their black and white, Mr Mick Gould & Family, Bomere Heath saw 208p (£1,177.28) and Mr J.W. Wright, Mere 193p (£1,277.66) to mention a few. The section average returned at 151p (£911.97) and considering the scope of cattle forward a very competitive average!!

44 Sucklers - Certainly something for everybody and everybody for something with a very eclectic range of cattle forward!! The Jones Family, Montgomery dominated the podium with their cracking run of Limousins selling to 236p x 2 (£1,727.52 and £1,552.88), 229p (£1,607.58), 228p (£1,632.48). Natives saw The Hollows Family, Coppice Lane selling Shorthorns to 236p (£1,467.92), 235p (£1,650.00), 210p (£1,612.80) and 196p (£1,587.60). In the lump Fir Tree Cattle Company, Stoke had a Hereford gross £1,900.80 to mention a few. The section average returned at 186p (£1,123.55).

2 Bulls - Humble number and not quite a vintage show but plenty of competition resulting in lean young Limousins to 180p (£1,080.00) from D.G. Lloyd & Partners, Halfway House and 160p (£1,395.20) again for Limousin from Mr N.L. Nicholls, Ellesmere. The section average returned at 168p (£1,237.60).

WEDNESDAY 2 OCTOBER 2024

216 CLEAN CATTLE & YOUNG BULLS

Auctioneer : Bernie Hutchinson (07778 164274)

Good number and a big thank you for all of your support!! The entry was certainly interesting with nearly every breed, nationality, weight, grade and age represented on the day with no five animals the same!! The bias weight range would be 280 to 480 kilos or 700 to 800 kilos with very few handy weight inspec cattle forward. Very much a two tier trade with well fleshed cattle of any age or weight very easy to place and traded 270p to 348p but light, plain or older types harder with even further finishers wanting weight. At Drayton as always we are only too happy to sell all and buyers for all at a price. Grass cattle need to be 500 kilos plus to enjoy the benefit of all buyers support and certainly a proportion would have sold better tested in the stores. More than happy to advice to maximise the full potential of your cattle. Just extremely pleased we are a green market and all the benefits that has to offer!!

Best meated cattle today trade to 348p or £2,095.10 for heifers, 338p or £2,293.08 for steers and 335p or £2,794.18 for bulls.

83 Bulls - Meat certainly the order of the day seeing best sucklers forward to 335p (£1,902.80) for Blue from distant supporters Probert & Probert, Sarn and further bulls to 329p (£2,052.96) and 319p (£1,945.90). Again distant supports Chris Price & Family, Llanfihangel with Limousins to 325p (£1,982.50) and 324p (£1,840.32). Mr Ian Morris,

Please fill in a cattle declaration form before unloading your cattle to aid speed of booking in - this ensures the cheques/bacs get to the correct owners and remember is it a legal Requirement !! Thank you !!

Stottesdon run of Limousins to 324p (£2,118.96), 300p (£2,382.00) and 299p (£2,134.86), The Whitley Family, Spon Green Limousin sold to 322p and grossed £2,794.96 and 317p (£2,415.54), Mr Brian Taylor & Family, Scholar Green Limousins saw 319p twice (£2,239.38 and £2,118.16) and Pete Moseley & Family, Allstock well fleshed Limousin to 315p twice (£2,142.00 and £1,927.80) and 307p (£2,161.28) to mention a few. Natives sold to 283p (£1,754.60) for South Devon from Mr Richard Savage & Family, Hanwood. Drayton specials saw black and whites to a staggering 260p (31,684.80) from W.J. Maginess & Son, Burleydam. The section average returned at 270p (£1,667.18).

54 Steers – Little bit like “dolly mixtures” with an electric array forward. Meat and shape certainly found a premium selling to 338p (£1,913.08) for a Limousin from distant supporters The Williams Family, Brecon and further Blues to 330p (£1,831.50). New face to Drayton J.&JA. Schofield, Nook Lane with their Limousin steers to 307p (£2,198.17), 297p (£2,061.18), 295p (£2,029.60) and 291p (£2,293.08) etc and thirty-four month Blue Cross to 265p (£1,849.70). Closer to home Mr Darren Young, Balterley Limousin to 290p (£1,850.20). Natives saw 279p (£1,964.16) for a Hereford from Pete & Rachel Ravenscroft, Malpas and two further Herefords to £2,173.52 and £2,120.76. Dairy bred steers to 259p (£1,797.46) for a Montbeliarde from The Goodwin Family, Rushton Spencer. The section average returned at 260p (£1,772.62) yes slightly back on the week but more to do with the quality forward not the trade.

79 Heifers - Certainly not a vintage show with the good, bad and ugly all well represented, but at Drayton we do not ‘cherry pick’ the best and leave the rest as always happy for your support. Best butchers heifers at a premium and few and far between seeing the trade race away to 348p (£2,046.24) for belting Charolais from Jonny Warner & Family, Stoke Heath and further heifers to 331p (£1,846.98) and 306p (£1,621.80), Mr Darren Young, Balterley cracking Limousin to 342p (£1,997.28) and distant supporters The Williams Family, Brecon with corking Limousins to 340p (£2,084.20) and 333p (£1,908.09). Natives an absolute flying trade especially heifers with loin selling to 287p or generating £2,095.10 for a Hereford from Pete & Rachel Ravenscroft, Malpas to mention a few. The section average returned at 250p (£1,422.98) and like the steers purely quality effecting the average not the demand!! Please keep the numbers coming to meet increasing demand. Thank you.

847 REARING CALVES

Auctioneer's : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)

Biggest numbers of the season so far! It's fair to say the recent weather has definitely impacted on calf rearing because it hasn't been the best show of calves today. Trade remains in similar form with best calves very good to sell no matter of the breed or sex. There has been a lot more in the medium and small categories which has allowed buyers to be more selective.

Thank you to all sellers and buyers for your patience today and our team of staff who keep the sale rocking and rolling which is always a challenge with these numbers on offer!

The Friesians saw a mixed entry with strong calves great to sell but a lot of plainer types forward too. Top price was £185 twice from Mr J.E. Oulton, Audley. Best bulls £130 to £180, mediums £70 to £120, smalls £30 to £60.

The native bulls have been a strong trade for the stronger types but less money for the medium and smalls. Top spot was £360 for an Angus from DLG Morris & Partners, Handley. Best types £200 to £300, mediums at £120 to £160. Smalls £50 to £90. Short on quality in the Continental bulls but fortunately plenty of interest so trade remained extremely high for the top end with 44 over £360. Top spot was £505 for a Charolais from EW Moss & Son, Endon. Best at £300 to £370, plenty of mediums available at £180-£260, smalls at £120 to £160.

The native heifers have been in high supply but a

very average show of quality. Top spot was £240 for a Hereford from SB&JA Vaughan, Sound. Best types at £150 to £220, mediums at £70 to £130, smalls £40 to £60.

The Continental heifers have been a bit short on best types but plenty of mediums about and demand has been strong keeping the trade level throughout. Top price was £340 twice for a Blue from W. Hodgson & Sons, Tarporley & Charolais from RJ.&RH. Gadsbey, Yarlet. Best types £230 to £280, mediums £140 to £220, smalls £100 to £130.

A few weanlings present including 3 month Friesian bulls at £255 from Mr B.E. Worth, Whatcroft and Angus bulls from J. Bennison & Partners, Eccleshall at £370. All calf enquiries to Ben or Jonty.
