## 550 REARING CALVES

**Auctioneer's : Ben Baggott (07791 791356) & Jonty Cliffe (07595 453306)**

Less calves forward which was expected on a snow day. Trade would be a tad less on the week but still very strong! The ringside has been a bit quieter most likely due to the weather but there's been no shortage in demand for all grades.

Next week is Christmas Market which means prizes for top price Continentals and Natives under 42 days, I'm sure our vendors have kept some strong calves behind so if you looking to buy get yourself to Drayton next week!

The Friesians carry on in the same form with a top price of £170 from RJ Rees, Brecon. Best bulls £100-£160, mediums £60-£90, smalls £30-£50.

The native bulls have been a strong trade with all grades seeing high demand. A little short on best types but a lot of mediums on offer which sold well. Top spot was £305 for an Angus from RD&A Roe & Son, Gnosall. Best types £230-£280, mediums £160-£220. Smalls £100 to £150.

The Continental bulls have been great to sell with a few less about than usual. A nice batch of mediums would cost you £240-£300. Top spot was £455 for a Charolais from RJ & RH Gadsbey, Yarlet at £455. Best at £300-£380, mediums £240-£280, smalls at £170-£230.

A decent trade for the native heifers with mediums wanted but only up to £120-£130. Top spot was a Hereford from Park House Dairy Ltd, Ashley at £205. Best types at £140-£200, mediums at £70-£130, smalls £40-£60.

The Continental heifers have been a little less on the week for the best heifers, but the demand for all others keeps the job very respectable. A nice batch of mediums would cost you £150-£220. Top price was £325 for a Charolais from RJ&RH Gadsbey. Best types £240-£300, mediums £150-£230, smalls £100-£130. All calf enquiries to Ben or Jonty.
