Humble number forward after several busy weeks, so the scene looked set for another flying trade with the old laws of supply and demand coming into play!!

Averages would be back on the week, but that would be a consequence of the quality forward not the trade on the day. A fantastic entry for the first week of December and simply WOW... a remarkable trade from start to finish with a jam packed ringside with many buyers going home half empty. The averages speak for themselves; Friesian bulls average £138, Angus bulls averaged £239 and Blue bulls averaged £296. The quality just never stopped coming and vendors were duly rewarded. Dare I say it this trade is here to stay for the coming months at least because for the time of year the demand is through the roof!

Starting with the Friesians...maybe our best ever average at £138!! Top price of £225 from Ray Brown & Partners, Twemlow. Best bulls £160 to £220, mediums £100 to £150, smalls £50 to £90.

The native bulls have been off the clock and by far the trade of the day with 31 over £300! Top spot was £355 for an Angus from Marsh Farms, Shrewsbury. Best types £280-£320, mediums £230-£270. Smalls £170 to £220.

The Continental bulls have been on fire with high demand for all grades. Top spot was £445 for a Blue from Moreton Wood Farm Ltd, Calverhall. Best at £350 to £400, mediums £260 to £330, smalls at £170 to £240.
